

16 KM PREDICTED CYCLING EVENT (or 10KM)

(INDIVIDUAL EVENT) OPEN

The participant will predict the time he/she thinks it will take them to cycle 16 KM (10 miles). The person coming closest to their predicted time will be declared the winner.

ELIGIBILITY

Participants do not have to qualify through regional play-offs. Entry forms may be sent directly to the AAIM Games office. Entry forms are available through the office or website.

EVENT CLASSIFICATION

- Open - men and women compete on an equal basis.

RULES & REGULATIONS

1. Participants will be required to cycle 16 KM, the person predicting their time the closest will be declared the winner.
2. No watches, any timing devices, or headsets are allowed.
3. Participants will be asked to predict their time a half hour prior to the event.
4. Coaching or pacing from the sidelines will result in an automatic disqualification.
5. Race numbers may be assigned prior to the event, and if so, all participants must wear the number on the front of their shirt/jacket.
6. Any type of non-motorized cycle is permitted.

OFFICIALS

There will be a head judge identified at the start of the tournament, marshals will be located throughout the route. Timers will be provided by the Host Community.

TOURNAMENT DRAW

The person predicting his/her time the closest (either over or under) will be declared the winner.

TIE BREAKING SYSTEM

If two or more people are tied, a 8 KM cycle off will be held after sufficient rest time (half hour after the announcement is made). The persons will be required to choose their 8 KM predicted time. Any person refusing to take part in the tie break will forfeit their medal.

MEDALS

Gold, silver, and bronze medals will be awarded for first, second, and third place, respectively, in each category. Medals will be presented immediately following the event or at a central location at a predetermined time.
